## February First

On the above date we will inaugurate A NEW IDEA in our Soap Department. Very frequently we hear our customers say: "I wish someone near me would get up a club, so that I could join and pay one or two dollars a month and get your premiums, but I cannot spare the time to get up a club and do not care to get so much of the Tea, Coffee and Soap all at once." To remedy this we have

### A NEW IDEA

Anyone buying products from our Soap Order Department, a list of which will be furnished upon application, to the amount of \$1.00 or more at each time until the purchase amounts to \$10.00 will receive with the last purchase a premium the same as if the \$10.00 purchase had been made all at one time.

One can purchase as often as they like, but it must amount to \$1.00 or more each time. Here is a partial list of the products: Green Jap Tea, Oolong Black Tea, English Breakfast Tea, Uncolored Jap Tea, Superior Blend Coffee, Spices, Extracts, Perfumes, Toilet Waters, Laundry Soap, Toilet Soap and Soap Powder. Look in our window for a pointer. Yours for a mutual benefit.

## Why Our Cream Bread Has Real Value!

Every housewife knows that to make good Bread it is necessary to have good material and to know how to put it together. We buy the best flour direct from the mill in car lots. It is always fresh. The milk we use is fresh twice a day from one of the best dairies in this section. We use our own home tried lard, which we know is right. The dough is mixed in a two-barrel dough mixer driven by a two-horse motor. This gives us a perfect mixture. The Bread is moulded and baked in a large, clean, airy room on the second floor and is wrapped in wax paper when it comes out of the oven, which keeps it fresh and clean. The bakery runs night and day, so you are always sure of getting fresh Bread. The Bread has real value and is always the same—in fact you might think you was cutting from the same loaf all the time. We sell three loaves for 25 cents.

Our Pastry will please you. No substitutes used in these goods. They have the real value in them.
